Technical Specifications

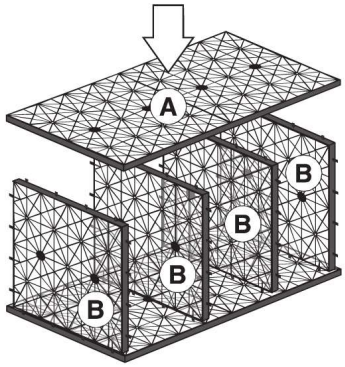

MAGNATANK™ Assembly

Single Module Assembly

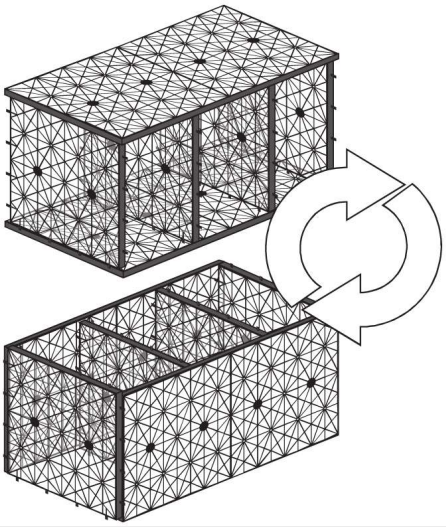

Step 1

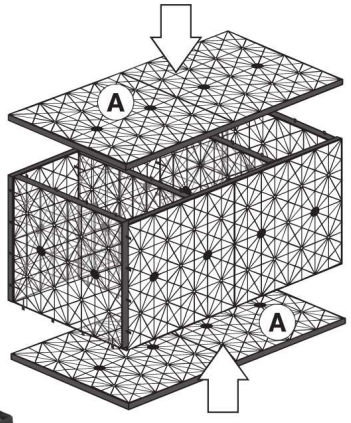

Step 2

Step 3

Step 4

4 MAGNATANK panels (A)

4 MAGNATANK panels (B)

Step 1:
Click small plates (B) into large cell (A), allowing an equal distance apart. Make sure the long pegs on (B) are facing down.

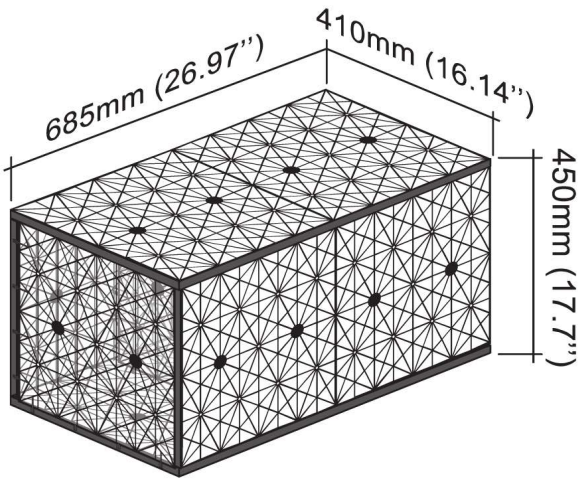

Step 2:
Click large cell (A) on top of the module.

Step 3:
Flip module onto side.

Step 4:
Click last large cell (A) on top and bottom of the module.

Important Note: When completed, the top must be supported on the two sides as well as on the two ends and the middle plate.
